

JOINT STATEMENT OF THE PARTIES

Counsel for Survivors/Jeff Anderson Counsel for St. John's Abbey

Jeff Anderson and Saint John's Abbey are moving forward to conclude all aspects of the settlement, which was announced on Monday, March 28, 2011.

There was never any disagreement as to the basic terms of the settlement, but there may have been some miscommunication about the mechanics of implementing the terms of the settlement.

A letter identifying seventeen monks who have had allegations made against them will be sent to the prep school mailing list.

The letter, which was disclosed at a press release on Monday, March 28, 2011, and some of the news reports have caused some confusion.

The parties want to clarify the fact that not all of the allegations arose from the prep school, work at the prep school, or from former prep students.

The parties also want to clarify the fact that not all of the allegations came from persons who were minors at the time of the alleged offense.
